## ART GUIDE

**JAMES CLARK**, "Tulips Hysteria Coordinating," Nicholas Davies, 23 Commerce Street, West Village, (212) 243-6840 (through Jan. 30). A luminous installation by an artist known for his inventive ways with electric lights. Neon tubes in inflated plastic envelopes span the ceiling; a revolving laser beam penetrates fog and smoke, and a glowing, color-shifting fiber optic cable snakes out of a vat of water (Johnson).
